Sparks From Mark

On November 5th, 10 Middle School students from Our Lady of the Black Hills attended the Middle School Youth Rally. Doug Tooke and David Casey were the keynote speakers and Luminous, a Praise and Worship band, provided the music. There were approximately 300 youth from the diocese that participated in the Rally. We also had Mass with Bishop Cupich in the afternoon. It was a great experience to see those youth so excited about Mass. We also had Adoration before we left. It was the first time most of the students had that experience. It was a great experience for our youth and I hope to see more attend next year. We had our youth write about their experience and this is what they had to say...

The speakers were great! The songs were fun and vibrant. It was an all around blast. It was worth the time and money. I really enjoyed it. If I could go back to this rally again I would do it in a heartbeat. I would recommend going to this if you could. I went to the Youth Rally on Sunday. Some things I liked about it were the songs and speakers. I had an awesome time at the Youth Rally. We had a lot of fun during Praise and

Worship. We also had a great time with the speakers who had us do some really fun activities. I loved hanging out with our church kids. It was very special to see the Monstrance and participate in Eucharistic Adoration for the first time and they explained it to me so I could understand. Denise commented this was her favorite part of the day as Fr. Tim so beautifully explained the Adoration ceremony and all of the rituals and she was surprised to see how the youth really put themselves into the ceremony and took some precious time to be with Jesus. It was powerful!

Thank you Denise, for helping chaperone.

For the Ride Home

Thirty-second Sunday in
Ordinary Time
November 12, 2006

Scripture

- ♦ "The jar of flour shall not go empty, nor the jug of oil run dry, (1 Kings 17:14)
- ♦ Christ did not enter into a sanctuary made by hands, a copy of the true one, but heaven itself, (Hebrews 9:24)
- ♦ For they have all contributed from their surplus wealth, but she, from her poverty (Mark 12:44)

Reflection

- ♦ Have you ever felt called to do something by God?
- ♦ Have you ever thought that you should put your best talents and significant effort to a worthy but unprofitable cause?
- ♦ Have you ever devoted effort that did not return a direct benefit to you and in fact may have cost you opportunity or personal gain?
- ♦ Have you sacrificed your lifestyle for a cause that others thought was a waste of your time and ability?

Middle class rich boy that I was, I never would have thought that it would be the poor who would be my salvation. Owing to the upbringing that I had received at my mother's hands, as well as the attitude of the church I had been attending up until that time, I had always thought that it was the rich and well-to-do who would be the ones to rescue the poor. The latter depended on us, and our generosity was their salvation. Without us they would have been destined to death.

What blindness were ours and mine! The truth was just the contrary, and now life was demonstrating this to me. It was the poor who would be my salvation, and not I theirs.¹
